

## Dear Patient:

Eastern Radiological Associates (ERA) has been providing radiology services in this region for over 40 years. We are the physicians who perform/interpret the procedure that you or your family member had recently. You can be assured that a board certified radiologist, one of our group's experts, supervised and interpreted your procedure.

Images are transmitted to ERA from various hospitals, imaging centers, or physicians throughout the region.

A written report is sent to the physician or non-physician practitioner (npp) who ordered the procedure for you. If you have any questions, consultation with your physician/npp is recommended and valuable. Should you require further clarification, feel free to contact our office at 406-237-5490, Monday-Thursday, 8-3pm.

You will receive a bill from ERA for our professional services. Our fee is separate from the fees billed to you by the hospital, imaging center, or physician office.

We use a nationally recognized billing service called Affiliated Professional Services (APS). APS performs the complicated processes involved with medical billing. APS is an American company that completes all of the work at their location in Wareham, Massachusetts, USA. No work is offshored. You will receive a bill from APS for the ERA services. You can pay your bill by mailing your payment to APS, online at [APSphysicianbilling.com](http://APSphysicianbilling.com), calling APS at 1-855-270-2792, or pay in person by coming to the Yellowstone Vein Center, Monday-Thursday, 8-3pm at 2900 12th Ave North 4E, Billings, MT 59101.

For questions about your bill, contact APS directly at 1-855-270-2792.

**Most of all, thank you for your business. We hope to serve you again should the need arise.**

**EASTERN RADIOLOGICAL ASSOCIATES**

2900 12th Ave. North, 2E | Billings, MT 59101
